

**NFMS SPACE SHUTTLE PROGRAM
TEACHER RECOMMENDATION**

_____ is applying for the position of _____ in the NFMS SPACE Shuttle Program May 2-6, 2005. This is a very demanding position and will require sacrifices of personal time from the applicant for building, training, and mission time. It is imperative that the students be self-motivated, have a cooperative attitude, and be able to communicate effectively. The students selected will also receive a great deal of public attention and should be a good representative of NFMS School as well as their community.

Please comment on the applicant's ability to communicate effectively and work as a team member. Each student will be required to maintain a passing average in all subjects in order to apply and participate in the project. When completed please **return the recommendation to Mrs. Evans' box by Friday, March 31, 2005.** Thank you for taking the time to complete this form.
