Committee Reports:

Jim Morrow - JSU - Great results last week at our first BoA Competition!

Fruit Sales - starting tonight - sue on 11/4. This is historically a good money maker - packages are up front and fruit will be delivered before the holidays.

BOA Georgia Dome - 10/30 - 12 days from now - it is a great event, very exciting. The schedule is on email - please make sure you plan to participate in any way!

Director's Report - John Mashburn

Thank you for all of your support and help. We had a grt weekend - I am very proud of the journey we are on so far. There will be lots of great bands at the Dome - the top 12 go to finals - many are from out of state. It is considered of the few Super Regionals. The push is on for next week - 2 weeks will be lots of work. Did you know that at the GBC, many directors bring their bands to compete just to watch us and see how our band performs?

Mr. Mashburn had the opportunity to go watch the Golden River competition to watch Lambert. Lambert won the silver division - class color guard, percussion and the band won the division. The Award ceremony was long. It was great seeing so many of our past members+win!

We have 2 weeks to wrap up our marching season. The last home game is Senior night - we will perform at half time!

GBC - we have bands (Starrs Mill, etc.) that want to preorder meals for their members - Debbie Young is handling that. There is a menu in each of the Bands check in packages.

Spring trip for band students - Drumline and Guard will probably be busy...the horns would like to do something for spring. Please answer the email / survey to let us know what you think about a spring trip.

Tom Tucker - Percussion

Thank you boosters for everything - our sound system is so much better. Of course with new electronics and new components there are always some problems but we are working on them. There will be an indoor drumline meeting tomorrow to plan for our winter season.

Jim Morrow - Band vs. Football Team
