MONDAY, NOVEMBER 9, 2010

Jim Morrow called the meeting to order at 7:30 p.m.

Last monthsqmeeting minutes were approved.

Treasurer - Robin Vale

- Check account \$32,796.02
- Savings account \$16,116.49

GBC - Expenses - 10,885.59
Income - 18,306.19
Net: 7,420.80 with 11 bands.

We have credit balances of \$1300. Thank you everyone who sponsored other students - it helped those students and the entire band.

Rudi Hulsey - thank you for all you did at the GBC. Parents - thank you for working so hard. The only problems were not ours and we were ones to help fix them!

BOA - The GA Dome - a ~~M~~MAGICAL DAY+

Moby has been transformed! Thank you Bob Vale! The design is ours and we need to get the other trailers covered. We are working at getting prices and designs. Jerry Tucker, Mobys driver, was a tremendous help in getting Moby done - Thank you Jerry!

Sponsors - we appear to have one this year - Clearstar. The others have expired. We need more sponsors - Tom Jablonski is heading up this task. Think of any business you know and see if they can help. Advertising will be done on the back of the band t-shirts from now on. The sponsorship flyer is being updated.

Beth Heren - Verizon and Fundraising

The scrip program is launching today. Julie Williamson has the information. Orders are due by 12/3. Fruit orders came in at a little less than last year but

good amounts of money made it to student accounts. Beth spoke about \$5 Christmas Candy to be sold. Verizon - we want to do this again next year but we need more people to commit to the program - lots of senior parents. If we have 4 teams than the season can be split easily. Verizon yielded \$14+ K. Thank you Beth and Karen for all you did to make this program so successful. Without SMI this year - this was very important!

Freshman Parents - thank you so much - you really came thru this year with all of your support and enthusiasm!

Director's Report - John Mashburn

Thank you for a great marching season - probably the best so far!

Review the calendar for upcoming events - lots going on between now and the end of the year.

The spring trip had 73 responses, 57 positive - due to lack of interest, there will not be a spring trip.

Tom Tucker - need good pictures for the web site - please send in discs or sticks. Thank you John, Sue and Tom for all of your work and dedication this season!

We are having more space next year - art room is moving - we get it. Tom and the percussion group will be moving next door. This change will give us 60+ hours of instructional time!

We need a concrete landing poured for a platform for Moby to load/unload.

Pictures are up on Jolesch and there is a link to lots of great pictures taken by Mr. Mashburn's friend Mike Morris. See our website for more information.

Thank you for moving the meeting tonight. The meeting was adjourned at 8:03 p.m. by Jim Morrow.
