New Business: Joyce Reid

At last month's meeting, there were several proposed changes to the By-laws and Constitution of the Band Boosters. It was suggested that we return to the original by-laws and have an active Nominating Committee that would nominate interested and qualified Band Booster members to the Executive Committee positions. One change to the by-laws would be that this committee be formed in September, rather than March.

Another idea presented concerned the election of the Executive Board members. This proposal would allow for the General Assembly to vote on the President and Co-Vice Presidents on a yearly basis based on recommendations by the Nominating Committee.

Since there were only a few parents in attendance, these proposals will be presented to the General Assembly at the August meeting.

Other Business: Rudy Hulsey-
FOC Yard Sale- This will need to be done later next fall.

Director's Report: Mr. Mashburn-

We have officially entered our first competition at Milton High School next fall.

The Concert Band and Symphonic Band members and chairs have been posted. All Symphonic members will be given contracts for next year. Most Concert band members will have them.

Concerning next year's show – it will depend on whether we are able to obtain another trailer. I have several ideas, but some involve more props that will need to be transported.

I have several prototypes for uniforms. A committee will offer suggestions and we will decide on the style. One idea for paying for these would be with a sponsor program. A sponsor buys a jacket. It would have a tag on the inside saying who sponsored it. Also, with a sponsorship, your child would get to keep their old jacket.

No news on the trip for next year. We need to look at our upcoming expenses first.

Meeting adjourned at 8:40 p.m.

Minutes submitted by Beth Patterson on 5/9/06.
