Chaperone Report: Cathy McKinnon – There are three main chaperoning opportunities available that we need volunteers for. They are: game, competition, and last-to-leave chaperones. Volunteers can sign up for as many or few dates as wanted. Please contact me if you are interested and can commit to any or all of these.

Concessions Report: Margaret Reece – We need 16 volunteers per game to help work concessions.

Constitution Review – Rudy Hulsey – All sections of the Constitution pertaining to the budget were read and reviewed.

Budget Review & Approval Request – Rudy Hulsey – The motion was made and carried that the 2006 – 2007 budget be accepted. Some highlights of this year’s budget were noted. They include: a new trailer, generator, drum major platforms, JV guard expenses and tower storage construction.

Processes for Reimbursement – Rudy Hulsey – Any personal expenses incurred by a booster member must be reported on the expense form found on the web page. All requests for reimbursement must be turned in to and approved by a Standing Chairperson or Executive Committee member. Any deposits need to be submitted using the deposit form and put into the red box.

Director’s Report: Mr. Mashburn

We are off to a good start. The theme for this year’s show is” Light vs. Dark: The Continuing Struggle Between Good and Evil.”

Each marching band member will receive a black t-shirt with this year’s theme on it. Student’s t-shirt costs are figured into the band fees, so there will not be an additional fee for their shirts. Parents can purchase these – look for an e-mail and form concerning this. To order – fill out form, attach money and have your student turn it in to the red box.

A new FOC website is on the horizon. This new and improved site will give parents access to more information such as student accounts, etc.

Meeting was adjourned at 8:40 p.m.

Minutes were submitted by Beth Patterson on 5/15/06.
